ESTABLISHMENT - Temporary - (South Kanara) - Grant of land to political sufferers - Special staff - Further retention - Report submitted.

Ref:-(1)G.O.Ms.No.2608 Rev.dated 28-9-1950.
(ii) Board's Ref.C.1937/50-3 dated 20-9-1950.

The period of retention of the special staff for work connected with the grant of lands to political sufferers in this district last sanctioned in the G.O.cited expires on 31-10-1950.

2/ The particulars of applications received, disposed of and pending up to 30-9-1950 are as follows:-

Total No.of applications		827.
No. disposed of		
Granted	- 426	
Rejected	- 306	
Total		732
No. pending		95.

A few members of applications are also being received afresh. Many of the applications which were rejected for want of sufficient proof of convictions or sufferings as political sufferers are again being entertained, when the applecants produce the necessary documents. Many objection petitions in respect of the cases where the assignment have been sanctioned are also being received. As the bulk of the work cannot be attended to by the regular staff I applied for the retention of the entire staff for a further period of three months from 1-10-1950, but the Government have however been pleased to sanction the further retention of the staff only for a period of one month from 1-10-1950.

3/- In this connection I submit that in a majority of the cases disposed of the preparation of the subdivision records, check measurement of the subdivision records by the Revenue Inspectors etc., have all to be attended to only hereafter before the final orders in form 'D' could be issued Seigniorage for the tree growth, if any have also to be collected from the assignees. It would thus be seen that it is only after the formal sanction by the Collector that the bulk of the work really remains to be attended to mostly by the Revenue Inspectors. These items of field work could not be attended to by them promptly till the monsoon was actually over in this district. It would be impossible for them to complete these items of work before 31-10-1950. I. therefore.

consider that the services of the Special Revenue Inspectors at least for one more month from 1-11-1950 essential to complete the works expeditiously. I submit that if the further ~~saneti~~ retention of the entire staff is considered unnecessary the Government may be pleased ~~to~~ ~~le~~ at least to sanction the further retention of the three Special Revenue Inspectors and the peons working under them for one more month from 1-11-1950. If, however, the work is completed ear I shall nee that the staff is disbanded even before 30-11-195

4/- The additional particulars called for in B.P.Rt. 27 2176/49 dated 12-4-1949 are as follows.
